

# **CHANGE ANNOUNCEMENT**

## **POST SECONDARY TRAINING CHAPTER EFFECTIVE NOVEMBER 30, 2005**

### **CHANGES**

The tables indicating how the VR allowance is paid have been removed. Up to now VR has been providing first year students with \$330 (for books) and providing the balance of the allowance directly to the school. In the future all students will have choice in how the allowance is paid. The allowance may be provided in full to the student, split between the student and school or provided in full to the school.

A sentence has been added under Policies #3. This clarifies that VR does not fund post secondary training or test fees to gain college credits for individuals who have not achieved a high school degree or equivalent.

### **VRIS UPDATE**

The revised chapter is located on VRIS in the Program Manual under Community Services in the main menu.

### **FORMS REVISED**

The 'What You Should Know About VR Financial Aid' form has been revised to reflect this change. This form is also located on VRIS under Case Service Forms and Worksheets..

### **TEAM COMMUNICATION**

Office directors should review these changes with all staff at their team meeting to assure understanding.
